
Australian Canoeing Canoe Sprint

2013 Senior Selection Trial 2 – SIRC 21-23 June

Overview

According to the 2013 canoe sprint senior team selection criteria, following Selection Trial 2, the AC Selection Panel will select Athletes to a World Championship Pool for each of the following groups: Men's Kayak 1000m pool, Men's Kayak 200m Pool, Women's Kayak Pool.

From these Pools, selectors will determine which Athletes/Crews will compete in specific events at the 2013 World Championships in Duisburg, Germany.

Selection Trial 2 will also be used to determine the final selection in Men's Canoe and Para Canoeing events for the World Championships.

Results at Selection Trial 1 (National Championships) in Perth, were used to determine the eligibility of the Men's and Women's Kayak Pools for Trial 2 as set out in the selection criteria.

In the case that an eligible Athlete has withdrawn from an event at Selection Trial 2, the next highest ranked Athlete in that event at Trial 1 has been included in the pool for Trial 2.

In all cases, please refer to the selection criteria which is available [here](#) on the AC website
