

There has been a substantial change to the Race Program.

This is due to a faulty lane gate on Lane 3 at the 500m mark, which has made it necessary to take the following action:

- Remove paddlers previously drawn Lane 3 in all 500m races.
- Rearrange lane draws where there are sufficient lanes in existing races in order to leave
- Lane 3 open;
- Where there were not sufficient lanes it has been necessary to insert additional heats, semi-finals and finals into the previously published race program where necessary.

Please note that these changes affect ONLY 500m races.
